

VIZ®

EAGLE

Express Your Style

Established in 2006, **Vinz Office System Sdn Bhd** (VOSSB) evolved from a simply supplier of office furniture to a key player in office furniture industry that is well known for its own brand – Vinz®. Vinz® is the proud result of our research & development, and is manufactured on an OEM basis.

Workplace trends are constantly changing, and the Eagle Series is built to adapt and respond to shifting needs and priorities. The combination of practical functionality, uncompromising durability, modular adaptability, and styling options make the Eagle Series a lasting value. The versatile design creates a wide range of layout options, from private offices to open, collaborative spaces. With the flexibility to support a light scale aesthetic, maximize footprints and customize personal storage, the Eagle Series offers more of what a business needs, for less than expected.

Every company has a unique style and culture, and the Eagle Series can reflect any desired aesthetic with an expansive collection of scratch-, stain-, and spill-resistant melamine finishes. Further personalize your space with woodgrain or solid colours, optional power socket box that bring technology wherever needed. Eagle claw-legs create a lighter aesthetic in open areas, while modesty panels increase privacy above and below the worksurface.

Simple, sturdy and functional yet stylishly elegant

A workspace fit for task and team, designed to shape space and support innovation, Eagle table adapts over time to a variety of practical workplace needs

Eagle series tables are available in discussion & meeting formats. Polished chrome legs support 25mm thick tops in different shape configurations
